

New website. New features.

investcambridge.ca

Spotlight on the new investcambridge.ca website

Our new website offers a more convenient, more accessible and more engaging experience for its users. It has been designed to provide you with up-to-date relevant information such as:

Generate reports	Available sites and buildings	Community profile	Business directory
Key sectors	Incentives and programs	Success stories	Publications

Top 5 New Features

1. Custom reports: Customizable reports that are tailored to your needs. A self-serve option that allows you to build a report with the information you want, without all the extra clutter. Look for this symbol on the top right hand corner of each page.

 Add to Report

2. Available sites and buildings: A hub for all your commercial business needs, the available sites and buildings section is a one stop-shop for available properties and buildings in the City of Cambridge. With integration into realtor.ca, there is no need to look anywhere else! Our professional staff can assist you in your business-decision making process. Contact us today!

3. Business directory: Help get your business noticed! By adding your business to the directory you become accessible to sales and marketing professionals, job seekers and other businesses looking to source products, materials and services. Use the directory as a source of information for your business-related needs.

4. Community profile: A summary of Cambridge's economic and social features displayed in an easy to navigate tabulated format. Easily find information on labour force, demographics and development highlights and so much more. Create a community profile report that is customized to your needs!

5. Success stories: Dedicated section to keep you informed on the continued development and good news stories happening in your city.
